Alderman Koberna called the meeting to order

Koberna stated that we have a letter from a Hector Leon of Si Senor Mex-Mex. What is asking is to sell Liquor to go with an order. This would require the Liquor Commissioner (Mayor) to waive the fees and allow this for as long as the Covid-19 Virus affects us and turned over to the Mayor.

Mayor stated that this would be a temporary thing during the Covid-19 Virus

MOTION By Koberna, second by Eavenson to allow the Liquor Commissioner to allow Package Liquor for Restaurants' during Covid-19 outbreak. ALL VOTED YES. Motion Carried.

Koberna stated that next up for approval tonight is an Ordinance to Restrict Public Meetings during the Covid-19 outbreak and turned over to City Attorney Konzen.

Konzen stated that what this does is limit Public Meeting when possible and we have the authority to cancel on short notice.
